

Donna Washington

Nationally known storyteller will perform at the Waccamaw Neck Branch Library on June 11, 2016.

At 5:30pm, Ms. Washington will perform “A Little Shiver”. This performance is appropriate for ages 4 and up and promises to be a fun, family event that will expose your children to the great art of storytelling. A little shiver . . . Not a great big scare!

At 7pm, Ms. Washington will perform “Cup of Blood”. These stories are creepy, scary, and unfit for human consumption if you are prone to nightmares!

Ages 14 and up, please.

Definitely tales for the bold.
